

Marketing Product Announcement

New ECC Product:	American Heart Association Countdown Timer
Product Code:	80-1132
Price:	\$6.50
Product Supersedes another?	No.
Brief Description:	This Countdown Timer is intended to help instructors effectively manage the amount of time spent on case discussions and simulations during AHA courses. For example, ACLS instructors are directed in the Learning Station lesson maps to spend 6 minutes on case simulations and 6 minutes debriefing. The Countdown Timer will help instructors monitor the time spent on each case.
Purpose/Intended Audience:	For use by ACLS and PALS instructors.
Date at distributors:	March 2, 2007
Attached:	Updated ECC Educational and Training Materials list
