Product Announcement

New ECC Product: ECC/AHA USB Drive

Product Code: 80-1642

Price: \$9.99

Product Supersedes another? No

Brief Description:

This 1GB, red USB is laser engraved with the American Heart Association logo. The swivel design allows for easy access but protects port from being damaged, and saves any annoyance over lost caps.

The USB comes in a plastic, magnet clasp, see-through container with black lanyard and ring to hold the USB with ease.

Purpose/Intended Audience:

This product is designed to allow for easy transfer of documents and information from one computer to the next. It can be used as an informative give away at shows and conferences or as a leave-behind with potential clients.
