## Product Announcement

New ECC Product:	AHA/Instructor Rolling Backpack
Product Code:	80-1645
Price:	\$64.95
Product Supersedes another?	No

Brief Description:	<p>Now AHA Instructors can transport their materials in style with this new black canvas rolling backpack with AHA logo and INSTRUCTOR embroidery. It has multiple compartments that hold most laptop computers, briefcases, and other business tools comfortably. Detachable accessory bags hold cords and other laptop accessories. The bag can be rolled like luggage or worn on the back and comes with wheel covers to protect the back against unsightly dirt when converting from luggage bag to backpack. AHA is offering this bag at a less expensive price as most comparable bags cost over \$100.</p>
Purpose/Intended Audience:	<p>This product is designed specifically for AHA Instructors as a tool they can use to transport their AHA materials, laptops, or other materials.</p>
