| Date Available: | October 20, 2009 |

Course Description:

Learn: Rhythm Adult is designed to introduce healthcare providers to normal cardiac rhythms and prepare them to recognize basic cardiac arrhythmias in clinical practice.

Course content includes:

- Basic rhythm understanding
- Relationship between ECG strip and heart impulses
- Common arrhythmias
- Identifying and distinguishing various arrhythmias

Learn: Rhythm Adult is approved for Continuing Education Credit for nurses, EMS providers, physicians, and pharmacists. Students who successfully pass the cognitive and ECG recognition post-course tests receive a certificate of completion and are eligible for CE credit.

Product Specifications:

This is an online, self-directed course featuring audio, animation, interactive activities, and self-assessment portions.

Intended Audience:

This course was designed for healthcare professionals needing basic rhythm recognition skills, telemetry staff, and those preparing for ACLS such as EMT/Paramedics, nurses, physicians, clinical pharmacists, and respiratory therapists.

CME/CE Information:**Continuing Medical Education Accreditation - Physicians**

The American Heart Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Heart Association designates this educational activity for a maximum of 4.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

All faculty participating in CME/CE activities sponsored by The American Heart Association will disclose to the audience (1) significant financial relationships with the manufacturer(s) of products from the commercial supporter(s) and /or the manufacturer(s) of products or devices discussed in their presentation, and (2) unlabeled/unapproved uses of drugs or devices discussed in their presentation. Such disclosures will be made in writing in course presentation materials.

Continuing Education Accreditation – Nurses

This program (07-NC-063) has been approved by an AACN-approved provider (11527) under established AACN guidelines for 4.50 contact hours, CERP Category A.

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS), for 4.50 Basic CEHs, activity number 07-AMHA-F3-0027.

Continuing Education Accreditation – Pharmacists

The American Heart Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Credit: 4.50 Contact Hours or 0.450 CEUs. Universal Program Number: 256-000-07-487-H01.
