

## PRODUCT ANNOUNCEMENT

Date:	November 8, 2006
New ECC Product:	Pediatric Advanced Life Support Instructor Manual
Product Code:	80-1410
Price:	\$38.00
Product Supersedes another?	The 2006 edition replaces Instructor's Manual: Pediatric Advanced Life Support (70-2201), which can be used, with updates from instructor bridge materials, through March 29, 2006; distributors will discontinue sales December 28, 2006.
Brief Description:	This revised approximately 96-page manual includes detailed lesson "maps" or plans to aid in conducting the PALS Courses (88 lesson maps for the PALS Course and 49 lesson maps for the PALS Renewal Course). The courses are designed to be instructor-led using large groups, small group interaction, and small group skills testing stations. An instructor CD, containing administrative precourse and course materials, and PALS Scenario Cue Cards are also included with the manual to provide support in conducting a PALS Course. The instructor manual is 8 ½" x 11", 3-hole punched, and shrinkwrapped.
Purpose/Intended Audience:	For use by instructors of the PALS Course.
Date at distributors:	December 29, 2006
Attached:	Updated ECC Educational and Training Materials list
