PRODUCT ANNOUNCEMENT

Date:	November 8, 2006
New ECC Product:	PALS Course Guide
Product Code:	80-1412
Price:	5 / \$40.00
Product Supersedes another?	No. This guide complements the 2006 edition of the PALS Provider Manual
Brief Description:	<p>This course guide is designed to be used for class preparation and as a student workbook referencing relevant topics during class. The guide is an 8 ½" x 11" approximately 100-page text. Included are materials to help the student work as an effective team member in various roles in the 12 core cases. This guide is presented in a new formatting style that makes any topic easy to find. Sold shrinkwrapped in packages of 5 as well as packaged with the PALS Provider Manual.</p> <p>A student CD, included with the text, contains the precourse self-assessment, practice cases, and supplemental information for student preparation on topics such as Respiratory Management, Vascular Access, ECG Basics, and Pharmacology. Also included with the guide are the PALS Precourse Checklist and PALS Pocket Reference Card, which contains frequently needed information such as Drugs Used in Pediatric Advanced Life Support.</p>
Purpose/Intended Audience:	For healthcare providers, such as physicians, nurses, and paramedics.
Date at distributors:	December 29, 2006
Attached:	Updated ECC Educational and Training Materials list
