

## PRODUCT ANNOUNCEMENT

Date:	November 8, 2006
New ECC Product:	PALS Pocket Reference Card
Product Code:	80-1414
Price:	\$6.00
Product Supersedes another?	Yes. The 2006 pocket reference card replaces the PALS Pocket Reference Card (70-2205).
Brief Description:	This folding, four-color, 4" X 6 1/2" pocket reference card contains information specific to pediatric advanced life support. Included are Vital Signs in Children; Modified Glasgow Coma Scale for Infants and Children; Summary of BLS ABCD Maneuvers for Infants, Children, and Adults; Drugs Used in Pediatric Advanced Life Support; Bradycardia With a Pulse Algorithm; Algorithm for Pediatric Tachycardia With Pulses and Poor Perfusion; Pulseless Arrest Algorithm; Septic Shock Algorithm; and Postarrest Treatment of Shock and Maintenance Fluid Requirements. The card is a joint project of the American Association of Critical-Care Nurses and the AHA.
Purpose/Intended Audience:	Quick reference for healthcare providers who may treat children.
Date at distributors:	December 29, 2006
Attached:	Updated ECC Educational and Training Materials list
