

PRODUCT ANNOUNCEMENT

Date:	July 11, 2008
New ECC Product:	Spanish PALS Course Guide and PALS Provider Manual
Product Code:	80-2325
Price:	\$35.00/set
Product Supersedes another?	Yes. The new Spanish PALS Course Guide and Provider Manual replaces the PALS Provider Manual (70-2675).
Brief Description:	<p>This all-inclusive bundle of Spanish language versions of the two PALS student texts provides the PALS student with comprehensive information for the PALS Course. The Spanish Course Guide is designed to be used for class preparation and as a workbook during the course. Also included with the Course Guide is the PALS Pocket Reference Card.</p> <p>The Spanish PALS Provider Manual contains more in-depth information on topics for pediatric resuscitation such as Recognition and Management of Respiratory Distress and Failure, Recognition and Management of Shock, and Pharmacology.</p> <p>Supplemental Spanish student materials including the pre-course self-assessment, practice cases to help the student prepare for the course can be found on the AHA website: www.americanheart.org/cpr.</p>
Purpose/Intended Audience:	For healthcare providers, such as physicians, nurses, and paramedics.
Date at distributors:	August 5, 2008
