

ECC PRODUCT ANNOUNCEMENT

Product Type:	Core Product
Product Name:	<i>Advanced Cardiovascular Life Support (ACLS) DVD</i>
Course Name:	ACLS
Product Number:	90-1009
ISBN:	978-1-61669-012-0
Replaces Product?	Yes. This product supersedes the following AHA ECC Products: <ul style="list-style-type: none">• #80-1090 (<i>ACLS DVD</i>)• #80-1091 (<i>ACLS VHS</i>) <p><i>NOTE: VHS versions of course videos are no longer offered.</i></p>
Product Retail Price:	\$71.50
Product Market:	Healthcare
Ordering Information:	Order from ECC Distributors
Date Available:	May 10, 2011

Course Description:

The AHA's ACLS Course has been updated to reflect new science in the *2010 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care*.

This classroom, video-based, Instructor-led course builds on the foundation of lifesaving BLS for Healthcare Providers skills, emphasizing the importance of continuous, high-quality CPR. This advanced course highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac arrest care. ACLS also covers airway management and related pharmacology.

In the ACLS Course, skills are taught in large-group sessions and small-group learning and testing stations where case-based scenarios are presented.

For successful course completion, students must demonstrate skills competency in all learning stations, pass the CPR AED skills test, bag-mask ventilation skills test and the Megacode test. They also must pass the written test with a score of 84% or higher. Upon successful completion, students receive an ACLS course completion card, valid for two years.

Product Specifications:

The *ACLS DVD* is to be used by AHA ACLS Instructors to teach both the initial and update (renewal) versions of the ACLS Course. It also includes a new section for the HeartCode® ACLS program. Following are the specifications for this DVD:

- Total of 7 (seven) videos
 - BLS and ACLS Surveys
 - CPR and AED Skills
 - Airway Management
 - Megacode and Team Resuscitation
 - Acute Coronary Syndromes
 - Stroke
 - Science Overview
- The main menu includes 3 (three) sections:
 - Full/initial course (run time =118 minutes)
 - Update/renewal course (run time = 64 minutes)
 - HeartCode® ACLS Part 2 (run time = 63 minutes)
- Closed-captioned
- Packaged in a frosted Amaray case
- Shrink-wrapped

Intended Audience:

The Advanced Cardiovascular Life Support Course is designed for healthcare professionals who either direct or participate in the management of cardiopulmonary arrest or other cardiovascular emergencies. This includes personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, and paramedics, as well as others who need an ACLS course completion card for job or other requirements.
