<b>Ordering Information:</b>	Order from ECC Distributors
<b>Date Available:</b>	March 23, 2011

### **Course Description:**

The BLS for Healthcare Providers Course has been updated to reflect new science in the *2010 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care*.

This video-based, Instructor-led course teaches both single-rescuer and team basic life support skills for application in both in- and out-of-hospital settings. This course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. It includes adult, child, and infant rescue techniques. This course also teaches relief of choking.

BLS for Healthcare Providers teaches skills using the AHA's research-proven Practice-While-Watching technique, which allows Instructors to observe the students, provide feedback and guide the students' acquisition of skills. The course uses a recommended ratio of 6 students to 2 manikins to 1 instructor.

### **Product Specifications:**

The *BLS for Healthcare Providers Instructor Manual* includes essential information and Lesson Maps that AHA BLS Instructors need to teach the BLS for Healthcare Providers Course. Following are the specifications for the *BLS for Healthcare Providers Instructor Manual*:

- 8.375" x 10.875" manual
- Includes 32 pages of full-color images and text
- Contained within a full-color soft cover
- Includes 50 Lesson Maps for initial BLS for Healthcare Providers Course and 42 Lesson Maps for renewal course
- Includes 6 divider page tabs
- Includes the *BLS for Healthcare Providers Instructor CD*, featuring supplemental information and tools
- 3-hole drilled, unbound
- Shrink-wrapped

### **Intended Audience:**

The BLS for Healthcare Providers Course is designed for healthcare professionals who need to know how to perform CPR and other basic cardiovascular life support skills in a wide variety of in- and out- of hospital settings.
