Product Specifications:

The Heartsaver Child and Infant Poster Pack includes posters illustrating the sequence of action for child CPR AED, child choking, infant CPR and infant choking. These posters also are included in the *Heartsaver Poster Pack* (Product #90-1049). The child and infant posters are not sold separately.

Following are the specifications for this poster pack:

- Includes 2 (two) of each of the following posters:
 - Child CPR AED
 - Child Choking
 - Infant CPR
 - Infant Choking
- Packaged flat in a cardboard box

Poster specs:

- 11" x 17"
- Full-color
- Printed on 80 # text, gloss paper

Intended Audience:

AHA's Heartsaver posters can be placed in many common areas at any worksite (such as lunchrooms, break rooms, fitness centers and meeting rooms) to provide employees and designated first responders with a quick reference to recall the steps of CPR AED and relieving choking. These posters also can be used as a promotional tool to emphasize the importance of first aid and CPR AED training to prepare employees and rescuers to respond to a cardiovascular or first aid emergency.
