Course Description:

The Heartsaver First Aid Online Part 1 has been updated to reflect new science in the *2010 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care*, including the *2010 Guidelines for First Aid*.

This Web-based, self-directed program uses case-based scenarios and interactive lessons to teach students first aid knowledge. Content includes:

- First aid basics
- Medical emergencies (includes adult choking)
- Injury emergencies
- Environmental emergencies

Successful completion of the full Heartsaver First Aid Course includes three (3) parts:

- Part 1, Heartsaver First Aid Online Part 1. Upon successful completion of the online portion, students receive a Part 1 certificate of completion, which must be printed and presented for parts 2 and 3.
- Part 2, a hands-on skills practice session with an authorized AHA Heartsaver Instructor or Heartsaver Skills Evaluator™
- Part 3, a skills test with an authorized AHA Heartsaver Instructor or Heartsaver Skills Evaluator

Upon successful completion of all three parts, students will receive an AHA Heartsaver First Aid course completion card, valid for two years. Additionally, this program may be used for initial or renewal training.

Product Specifications:

- Includes interactive exercises and videos
- Certificate of completion available to print when Part 1 has been completed successfully
- Progress bar at top of course screen and check-mark icons next to each exercise indicate students' progress through course
- Course features application for taking and referencing notes
- "Drag and drop" tool reinforces steps and sequences and offers student interactivity
- Accordion-style content navigation allows for less scrolling
- Screen and text-sized options help meet diverse learning needs
- Navigation controls allow user to move easily through content

Product Specifications, continued:

- Includes online access to the *Heartsaver First Aid Student Workbook*
- Audio available
- Students have access to all information in the online course for 24 months, following activation of their course key

Intended Audience:

This program is for anyone with limited or no medical training who needs a course completion card for a job, regulatory or other requirement and is seeking an alternative to classroom-based training.
