### **Course Description:**

The Heartsaver CPR AED Online Part 1 program has been updated to reflect new science in the *2010 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care*.

This Web-based, self-directed program uses interactive lessons and videos to teach students CPR, AED and choking knowledge. Content includes:

- Adult CPR and AED use
- Adult choking
- Child CPR and AED use (optional)
- Infant CPR (optional)
- Child choking (optional)
- Infant choking (optional)

Successful completion of the full Heartsaver CPR AED Course includes three (3) parts:

- Part 1, Heartsaver CPR AED Online Part 1. Upon successful completion of the online portion, students receive a Part 1 certificate of completion, which must be printed and presented for parts 2 and 3.
- Part 2, a hands-on skills practice session with an authorized AHA Heartsaver Instructor or Heartsaver Skills Evaluator™
- Part 3, a skills test with an authorized AHA Heartsaver Instructor or Heartsaver Skills Evaluator

Upon successful completion of all three parts, students will receive an AHA Heartsaver CPR AED course completion card, valid for two years. Additionally, this program may be used for initial or renewal training.

### **Product Specifications:**

- Includes interactive exercises and videos
- Certificate of completion available to print when Part 1 has been completed successfully
- Progress bar at top of course screen and check-mark icons next to each exercise indicate students' progress through course
- Includes application for taking and referencing notes
- "Drag and drop" tool reinforces steps and sequences and offers student interactivity

**Product Specifications, continued:**

- Accordion-style content navigation allows for less scrolling
- Screen and text-sized options help meet diverse learning needs
- Navigation controls allow user to move easily through content
- Audio available
- Includes online access to the *Heartsaver CPR AED Student Workbook*
- Students have access to all information in the online course for 24 months following activation of their course key

**Intended Audience:**

This program is for anyone with limited or no medical training who needs a course completion card for a job, regulatory or other requirement and is seeking an alternative to classroom-based training.
